

COROLLA **CROSS**

TOYOTA

Class Leading | New Generation | Unmatched fuel efficiency

Ascend to new heights

You're ready for a fresh start. Going more places. Seeing more people. This car suits your life today. That next level of fulfillment you've been seeking. You know the Corolla brand. Through its evolution, it has been loved by people around the world. Now it reaches a new stage. It is the COROLLA CROSS. This is the one you dreamed about. The one you worked for. Now, it's well within your reach.

Grow bolder, every time you drive

Feel proud. You've earned it. This is a design that says you have arrived.
Step in and glow with the new power of ownership..

A space that brings everyone closer together

When there's enough space for all passengers to ride in comfort, conversation flows freely, and the ride is relaxed. There's a feeling of freedom that comes with sharing the journey together.

Interior Amenities

Keep abreast of your data with a highly visible, high-definition 7-inch TFT color display, while special lighting throughout the interior makes for a refined, high-tech atmosphere.

Air Conditioning

To ensure comfort for all, an air-conditioning duct at the rear end of the console box sends comforting ventilation to the backseat passengers.

Ample Cabin Space and Luggage Room

A spacious and comfortable cabin includes plenty of room to stretch for all on board, making long trips a breeze. In addition, the luggage compartment has class-leading capacity and offers ample space for all your cargo. Best of all, it is amazingly easy to access, load and unload.

Potential to expand your horizons

Activate your ambition. There's no time like today. A flat stable ride gives you the confidence to seek out new destinations and visit places you've never been.

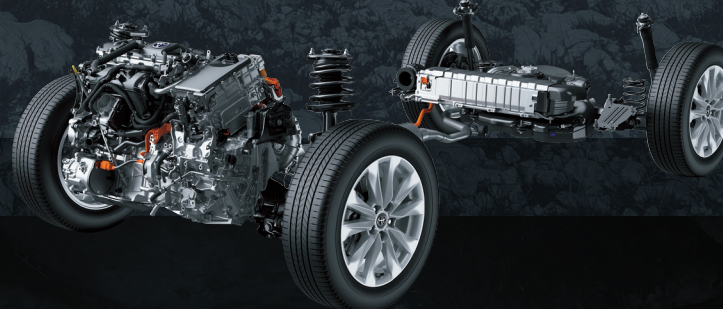

2ZR-FE Engine

Exclusively designed for hybrid systems, the 1.8-liter engine with Dual VVT-i and Atkinson Cycle provides excellent fuel efficiency in a compact, lightweight design.

Hybrid System

Combined with a highly efficient engine, the compact, high-performance hybrid system delivers dynamic acceleration performance and excellent fuel efficiency for a next-level drive.

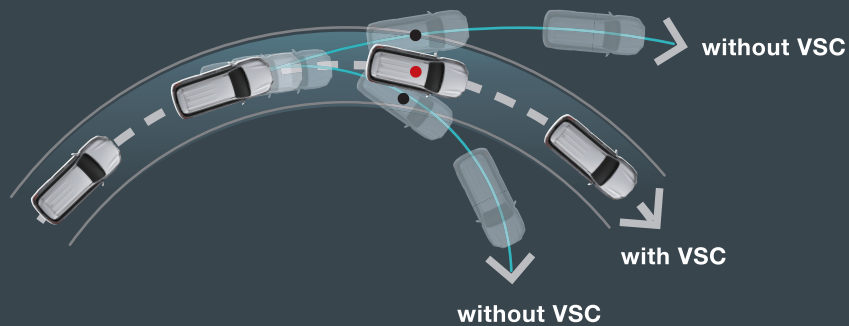

2ZR-FE Engine

High fuel efficiency and sporty driving is delivered by the 1.8-liter engine with Dual VVT-i. Additionally, when starting up, this engine achieves linear acceleration.

Feel safe and let the good times roll

An array of advanced safety features provides peace of mind for both long trips and short ones. Worry-free driving sets everyone's mind at ease and ensures a pleasant experience.

Vehicle Stability Control (VSC)

VSC automatically activates each individual brake as needed and controls engine output to help maintain stability and prevent skidding when turning sharply or cornering on slippery road surfaces.

Supplemental Restraint System (SRS)

Corolla Cross is fitted with up to seven airbags. They include driver's knee airbag, SRS airbags for both driver and front passenger, side airbags for the front seats, and SRS curtain shield airbags covering both the front and rear seat passenger.

With Brake Assist

Without Brake Assist

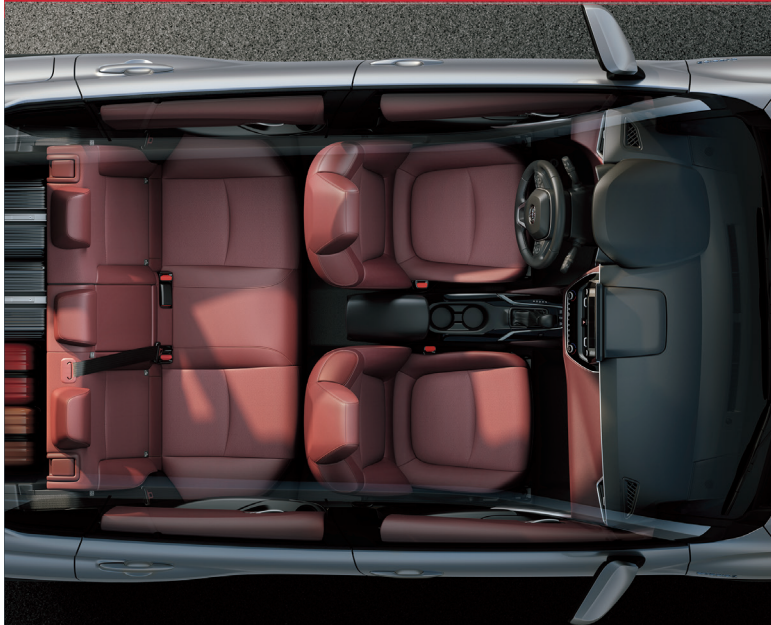

Brake Assist

The brake assist is a system that compensates for the lack of braking force during emergency braking maneuvers and increases the brake force. The brake assist system detects how quickly the brake pedal is depressed and increases the braking force during emergency braking. This generates a large amount of braking force even if the brake pedal is only stepped on lightly.

Hill-Start Assist Control (HAC)

This control judges when the vehicle is on a slope and automatically performs brake control to suppress rollback of the vehicle when starting off, reducing the burden on the driver. This control is particularly effective when starting off is difficult, such as on slopes where the vehicle may rollback while the driver switches from the brake pedal to the accelerator pedal

Downhill Assist Control (DAC)

When driving down steep slopes where the engine brake alone is not enough to reduce the speed of the vehicle, the brake fluid pressure is automatically controlled to maintain a low vehicle speed. As a result, it is possible to drive down slopes without the tires locking while keeping the vehicle stable and concentrate on steering operations. This control is effective even when driving down slippery, steep or bumpy slopes.

Electronic Brake Force Distribution (EBD)

Even when there is a difference in front/rear or left/right wheel load, EBD controls brake force on each wheel appropriately and helps to shorten stopping distance. The EBD controls the braking force on the wheels, based on the total number of the occupants, load conditions and during deceleration and cornering, thus offering excellent brake control.

COROLLA CROSS

GRADE	SFX	Body type	Engine	ccm	Power (HP/kW)	Torque (Nm)	Transmission
ACTIVE	C1/R1	SUV	1.8 Dual VVT-i	1798	140/103	172	CVT
LIMITED	C2/R2	SUV	1.8 Dual VVT-i	1798	140/103	172	CVT
EXECUTIVE	C3/R3	SUV	1.8 Dual VVT-i	1798	140/103	172	CVT

ACTIVE - STANDARD GRADE

Interior:

Auto heater & aircon - single mode
 Radio AM/FM, USB, CD, BT
 Microphone and microphone amplifier
 6 speakers
 USB input (Front)
 1x12V Socket
 Power Steering
 Power windows one touch (all)
 Power Door Lock
 Steering switches - Telephone +Audio
 Rear Window Defogger
 Front and Rear Console box
 Rear Arm Rest (w/cupholder)
 Fabric seats
 Multi information display
 Glove Box
 Cupholders: (Front x2 Rearx4)
 Upholstered Door Trim
 PVC Door Armrest
 Inside Door Handle Plating
 Luggage Compartment Lamp
 Seatbelt warning buzzer (D&P)
 Sun Visor With Mirror
 Folding rear seats 40/60

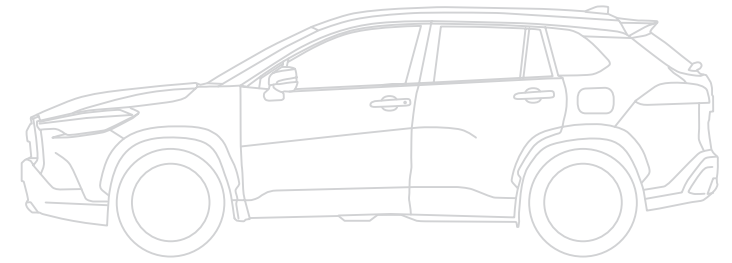

Manual driver and passenger seat adjust

Exterior:

Shark Fin Antenna
 Front Grill Mat Black
 Daytime Running Lights
 High Mount Stop Lamp (LED)
 Colour outside mirrors electrically adjustable
 Turn signals on side mirrors

Safety:

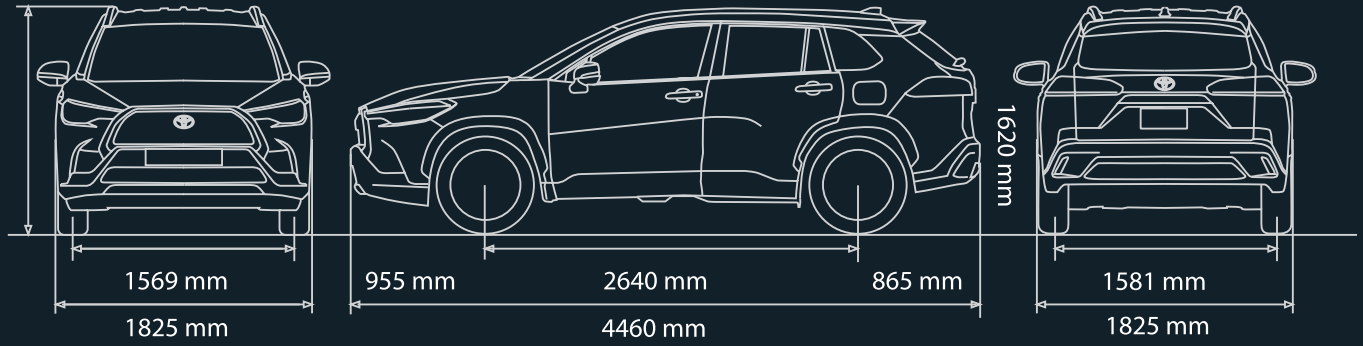

ABS - Anti-lock Braking System
 VSC - Vehicle Stability Control
 HAC - Hill Starting Assist System
 EBD - Electronic Brakeforce Distribution (CVT Model only)
 Driver & passenger airbags (SRS)
 Triangle Caution Plate
 Child lock
 ISOFIX points for child safety on rear outer seats
 Immobilizer & Siren anti-Theft system
 Jack handle, hub nut wrench, spanner, pliers, case
 Fire extinguisher

Technical:

Fuel tank capacity 47L
 Tilt and telescopic steering column
 407L Boot Space
 Intermittent wipers control
 Alloy Wheels
 Tire and disc wheel 215/60R17 ECO AL
 Full spare tire
 Halogen 4-bulb headlamps
 ECO driving indicator
 Manual headlamp levelling system
 Overall width: 1.825 mm
 Overall length: 4.460 mm
 Overall height: 1.620 mm
 Min. ground clearance: 161 mm
 Min. turning radius (tyre): 5.2 m
 Push start system
 Smart entry & Start system ("keyless" entry & start)

LIMITED on top of ACTIVE

Interior:

- Multimedia touch screen 8"
- Multi information display 4.2"
- Auxiliary & USB input (Console)
- Leather seats
- Leather shift lever & knob
- Leather Steering Wheel
- Steering Switches - Cruise control & Voice
- Front Personal Lamp
- Reverse camera (back monitor)
- Door Pocket (Passenger Rear)

Interior:

- Tonneau Cover

Technical:

- Follow me home lighting system
- Cruise control

Exterior:

- Front fog and driving lamp

Safety:

- Side airbags (SRS)
- Driver knee airbag (SRS)
- Curtain airbags (SRS)

EXECUTIVE on top of LIMITED

Interior:

- Auto heater & aircon - Dual mode
- Front Seat Electric Adjust (Driver)
- Glove Box Lamp
- Sun Visor With Mirror & Lamp

Interior:

- USB input (Rear)

Technical:

- LED type main headlamps
- Rain sensor, automatic wipers control
- Hood Silencer
- Electrochromic inside rear view mirror

COMPLETE PEACE OF MIND WITH TOYOTA.

Toyota Quality Service

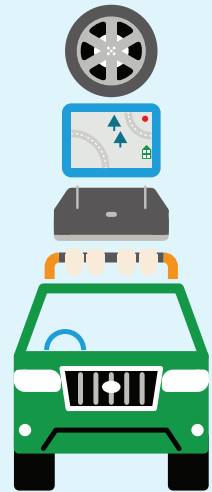

Your Toyota dealership will advise you on your vehicle's service requirements. It will need a health and safety check at least once a year. An intermediate check is necessary every year or 5,000 km.

Toyota Low Maintenance Costs

All Toyota vehicles are designed and engineered to minimize your maintenance costs. This includes fewer parts that require servicing and, equally important, is that Toyota vehicle technology is made easily accessible so that maintenance labor time is less and pricing is competitive.

Toyota Genuine Parts

Providing the reassurance of Toyota quality, only genuine and approved components are used on your vehicle. If the vehicle is damaged, its design helps minimize the cost of repair because the most expensive-to-replace parts are deliberately located away from common damage zones. The result is ultimately less expense for parts and labor.

Toyota Accessories

Toyota genuine accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. Adding a touch of style, comfort, convenience and practicality, they are tested for exceptional durability to enhance the enjoyment of your new vehicle. All accessories are covered by a 1-year warranty.

Toyota Comprehensive Warranty

Every new Toyota comes with a 3 years or 100,000 km vehicle warranty, which covers any defect caused by a manufacturing fault. Transport to the nearest authorized Toyota repairer will also be covered*. In addition, a 3 years or 100,000 km paint warranty protects against defects and surface rust caused

by a manufacturing fault (except load bin's which are covered for 1 year). Every Toyota commercial vehicle is covered by a 3 years with unlimited mileage corrosion-perforation warranty* against corrosion of body panels caused by a manufacturing fault in materials or workmanship.

Toyota Added Security

Toyota's comprehensive security system withstands the insurance industry's rigorous five-minute attack test. The alarm system and engine immobilizer are approved by major insurance companies.

*Check with your dealership for specific warranty details.
